D. R. MAYO SEEDS

KNOXVILLE, TENN.

TO MY FRIENDS: In 1932, as a matter of economy I did not publish my usual catalog but instead I mailed this inexpensive price list to you. Economy is just as necessary today as it was in 1932 and with this in mind I am again sending this price list to you. The great saving I am making by doing this I am passing on to you in the form of much lower prices on quality merchandise. By comparing prices you can see for yourself the saving I am offering. There has been absolutely no change in Mayo's quality or in Mayo's service, the only change being the lowering of our operating costs. We again offer quality merchandise at fair prices.

D. R. MAYO, Seedsman, 419 Wall Avenue, Knoxville, Tennessee

I give no warranty express or implied as to description, quality, productiveness or any other matter of any seeds, plants, trees, shrubs, or bulbs I send out, and I will not be in any way responsible for the crop. If the purchaser does not receive the goods on these terms they are at once to be returned and the amount paid will be refunded.
